The Deputy Commissioner,
Shimoga District, Shimoga.

Sir,

Subject:- Opening of a Shandy at Holalur, Shimoga Taluk.

I have the honour to state that the people of Holalur had been urging to open a Shandy at their place. The Village Panchayet has sent a resolution requesting the Board to open a Shandy as they say that it is very difficult to get their small needs since there is no shandy within a radius of five miles. Besides the place is a roadside village and the shandy feed about 20 villages. The Amildar of Shimoga Taluk has also recommended that there is necessity for opening a shandy at Holalur. It was further suggested that the shandy may be held on every Friday. The fact was widely published by the Board calling for objections if any (as per this office Notification No. C. 62/L. B. 46-47 dated 18th September 1946) publishing at the same simultaneously in the Mysore Gazette. The last date for receiving objections was 18th October 1946. No objections were received till this date.

The subject was placed before the Board at its meeting held on the 30th and 31st October 1946 and the Board resolved to open a shandy. A copy of the resolution is herewith enclosed for kind perusal.

I request you kindly to obtain sanction of Government for

holding

holding shandy (under the bye-laws of the Board) every Friday. The favour of very early orders are solicited as the people are pressing for the same repeatedly.

I have the honour to be,
Sir,
Your most obedient servant,

President,
District Board, Shimoga.

To

Sir,

Sub: Opening of a Shandy at Holalur, Shimoga Taluk.

With reference to your letter No.L.8620 dated 12th December 1946 on the above subject enquiring as to whether there are water and shade facilities for holding the shandy at Holalur Village, I have the honour to state that Holalur Village is situated adjacent to Thunga-Bhadra River and the Shandy Maidan is very near to the River and as such there is water and shade facility, the shandy will be held in the maidan in front of the Choultry. There are two big "ಅಶ್ವತ್ಥ" trees which afford necessary shelter for the people and Cattle that gather there during the shandy. If there is a larger assemblage of people and cattle, some rain trees will be got planted there for the convenience of the people so as to afford necessary shelter. As there is good water facility being adjacent to Thunga-Bhadra River and as there is also adequate shade facility, I request you to kindly accord sanction of Government for the holding of the weekly shandy at Holalur village on every Friday.

I request the favour of early orders, as the people are urging for the opening of a Shandy here as there is no Shandy within a radius of 6 miles.

I have the honour to be,
Sir,
Your most obedient servant,

H S Rudrappa
